

Services & Pricing

We strive to provide the most convenient dry cleaning and laundry service in the markets we serve. Our unique collection and delivery method allows you to drop off, pay, and pick up your clothing and household items without regard for time of day. We believe you will find our services result in the best value by giving you back the time you've earned. Many of our prospective clients are pleasantly surprised to learn that our prices result in a substantial savings over some of the more well-known delivery service dry cleaners in Dallas. Spending more doesn't necessarily translate into better quality. Case-in-point: one of our competitors charges almost \$11 to dry clean a pair of slacks!!!
